and the State efforts to ensure compliance with the international obligations of the United States.

Our hope is that the treatment expressed in this forum not only contributes to the goal of ensuring the environment but also serves the interests of the United States.

It is our hope that the United States will continue to work with the United Kingdom to ensure the protection of the environment.

It is the duty of the United States to support the United Nations in its efforts to maintain international peace and security.

For any nation, or coalition of nations, to act in a way that is not in accordance with the principles of the United Nations is to act in a way that is not in accordance with the principles of international law.

Officially, the United States is a member of the United Nations, and it is bound by the principles of the United Nations Charter.

It is the duty of the United States to support the United Nations in its efforts to maintain international peace and security.
